

How to enjoy our Junior School Virtual Open Day

Thank you for registering for our Junior School Virtual Open Day! Here is a guide to how to enjoy everything that we have put together for you:

At 10.00am, we would recommend that you start off by watching the following:

- [Welcome from the Head of the Junior School](#) (*this video is at the top of the page*)
- [Head Master's Introduction to the School](#)
- [Virtual Tour of the Junior School](#) (*these videos are further down the page*)

From 10.30am onwards, you can choose between three different ways of enjoying our Open Day:

Option 1. Live YouTube Programme (10.30 - 11.30am) - watch our parents, pupils and the following staff:

- Julie Barrow, Head of the Junior School
- Jill Edmonds, Head of Music and Pastoral Care
- Neil Johnson, Head of Performing Arts
- Steve Bratt, Head of Sport and PE
- Diana Armstrong, Chorister Co-ordinator

NB: If you miss anything, don't worry! Please let us know and we can either send you a link to the recorded session, or arrange a time for you to talk at length with our staff on another occasion.

Option 2. Pre-recorded Content - you can watch our pre-recorded videos at any time to suit you, and enjoy our image galleries. They will remain on our website permanently, so you can come back and explore them at any time.

Option 3. Combine Options 1 and 2 - of course you can switch between options one and two!

If you have any questions, please don't hesitate to email admissions on admissions@wells.cathedral.school

We hope you enjoy the day!
